*Cruise-only fares do not include (i) the cruise fuel supplement, if any, and (ii) certain government taxes and fees on cruise travel from \$33.04-235.52 per person.

Fares and government taxes and fees are subject to change. Fares are in U.S. Dollars and are valid for residents of U.S., Canada and Caribbean Basin. Fares apply to cruise only, transportation to and from the cruise embarkation/debarkation point is not included. Fares are per person based on double cabin occupancy for the lowest priced cabin category at the time of booking, subject to availability and may be higher for other cabin categories or desired travel dates. Fares are applicable for new individual bookings only and cannot be combined with other offers. Deposit is due at the time of booking. Tickets may not be refundable and changes are subject to booking class availability. This offer may have limited space regardless of cabin availability. Adjusting the occupancy in an existing reservation, when adding or removing guests, can result in a change of the initially quoted fare. The lowest priced cabin category, when available, is the Basic Value category and is subject to a 15% penalty should any changes/cancellations be made 90 days or more before the cruise departure. The Basic Value category excludes a beverage package; the cabin will be assigned prior to embarkation and dining time will be assigned during embarkation. For Total Comfort categories, within 90 days of sailing, a \$50 administration fee may be charged for a one time name change; after the initial name change, the booking is considered a cancellation and cancellation penalties will apply. Costa may charge a cruise fuel supplement of up to \$9 per person per day if the NYMEX oil price exceeds \$70 per barrel. Costa Cruises may modify, amend or update the Terms and Conditions at any time with or without notice to guests. Additional restrictions apply; consult Terms and Conditions (<https://www.costacruires.com/general-conditions.html>), Useful Information (www.costacruires.com) or our Reservations Department at 1-800-462-6782 for more information.
